

## Cut flowers

|                          |                   |                  |                  |               |
|--------------------------|-------------------|------------------|------------------|---------------|
| Acanthus                 | Centaurea         | Heliopsis        | Nepeta           | Thermopsis    |
| Achillea                 | Chelone           | Helleborus       | Nipponanthemum   | Tiarella      |
| Aconitum (Toxic)         | Cimicifuga        | Hemerocallis     | Paeonia          | Tricyrtis     |
| Agastache                | Clematis          | Herb - Chives    | Papaver          | Uvularia      |
| Ajania                   | Convallaria       | Herb - Lavender  | Passiflora       | Valeriana     |
| Alchemilla               | Coreopsis         | Herb - Rosemary  | Penstemon        | Verbascum     |
| Allium                   | Dahlia            | Heuchera         | Perovskia        | Verbena       |
| Amsonia                  | Delphinium        | Heucherella      | Persicaria       | Vernonia      |
| Anemone                  | Dendranthema      | Hosta            | Phlox divaricata | Veronica      |
| Angelica                 | Dianthus          | Iris ensata      | Phlox glaberrima | Veronicastrum |
| Aquilegia                | Dicentra          | Iris germanica   | Phlox paniculata | Viola         |
| Armeria                  | Digitalis (Toxic) | Iris pallida     | Physostegia      | Zantedeschia  |
| Artemisia Silver King    | Echinacea         | Iris pseudacorus | Platycodon       | Zizia         |
| Artemisia Valerie Finnis | Echinops          | Iris sibirica    | Polemonium       |               |
| Aruncus                  | Eryngium          | Iris tectorum    | Pycnanthemum     |               |
| Asclepias                | Equisetum         | Iris versicolor  | Ratibida         |               |
| Aster                    | Eucalyptus        | Knautia          | Rudbeckia        |               |
| Asteromoea               | Eupatorium        | Kniphofia        | Salvia           |               |
| Astilbe                  | Ferns (some)      | Leucanthemum     | Sanguisorba      |               |
| Baptisia                 | Gaillardia        | Liatris          | Santolina        |               |
| Begonia                  | Geum              | Ligularia        | Scabiosa         |               |
| Bergenia                 | Grasses - most    | Lobelia          | Sedum (many)     |               |
| Boltonia                 | Gypsophila        | Lychnis          | Solidago         |               |
| Campanula                | Helenium          | Lysimachia       | Stokesia         |               |
| Canna                    | Helianthemum      | Monarda          | Tanacetum        |               |
| Caryopteris              | Helianthus        | Myosotis         | Thalictrum       |               |

## Eastern U.S. Natives (includes some cultivars)

|                          |                             |                        |                         |
|--------------------------|-----------------------------|------------------------|-------------------------|
| Agastache Golden Jubilee | Fern - Fancy                | Hibiscus coccineus     | Rudbeckia (most)        |
| Amsonia tabernaemontana  | Fern - Five Finger Maidenh. | Hibiscus militaris     | Ruellia humilis         |
| Anemone canadensis       | Fern - Goldies Wood         | Hibiscus moscheutos    | Sedum ternatum          |
| Aquilegia canadensis     | Fern - Hairy Lip            | Iris cristata          | Silene caroliniana      |
| Arisaema triphyllum      | Fern - Interrupted          | Iris louisiana         | Solidago                |
| Artemisia ludoviciana    | Fern - Lady                 | Iris versicolor        | Spigelia                |
| Aruncus dioicus          | Fern - Lady in Red          | Kosteletzkya           | Stokesia laevis         |
| Asarum arifolium         | Fern - Leatherwood          | Liatris (many)         | Stylophorum             |
| Asarum canadense         | Fern - Log                  | Lindernia              | Thermopsis caroliniana  |
| Asclepias (most)         | Fern - Male                 | Lobelia cardinalis     | Tiarella                |
| Aster cordifolium        | Fern - Marsh                | Lobelia siphilitica    | Tradescantia (some)     |
| Aster divaricatum        | Fern - Ostrich              | Lonicera sempervirens  | Trillium                |
| Aster dumosus            | Fern - Royal                | Meehania               | Uvularia                |
| Aster ericoides          | Fern - Sensitive            | Mertensia              | Verbena canadensis      |
| Aster laevis             | Fern - Virginia Chain       | Mitchella              | Vernonia noveboracensis |
| Aster lateriflorus       | Gaillardia aristata         | Monarda didyma         | Veronicastrum           |
| Aster novae-angliae      | Gaillardia aestivalis       | Monarda fistulosa      | Viola labradorica       |
| Aster novi-belgii        | Gelsemium                   | Monarda punctata       | Viola pedata            |
| Aster oblongifolium      | Geranium maculatum          | Oenothera (some)       | Viola sororia           |
| Baptisia (many)          | Grass - Carex flaccosperma  | Opuntia humifusa       | Yucca                   |
| Boltonia                 | Grass - Carex laxiculmus    | Penstemon barbatus     | Zizia aurea             |
| Callirhoe                | Grass - Carex pennsylvanica | Penstemon digitalis    |                         |
| Campsis                  | Grass - Carex plantaginea   | Penstemon grandiflorus |                         |
| Chelone                  | Grass - Chasmanthium        | Penstemon smallii      |                         |
| Chrysogonum virginianum  | Grass - Juncus effusus      | Phlox divaricata       |                         |
| Cimicifuga racemosa      | Grass - Muhlenbergia cap.   | Phlox glaberrima       |                         |
| Coreopsis a. 'Nana'      | Grass - Panicum             | Phlox lamphamii        |                         |
| Coreopsis grandiflora    | Grass - Phalaris            | Phlox paniculata       |                         |
| Coreopsis rosea          | Grass - Schizachyrium       | Phlox stolonifera      |                         |
| Coreopsis verticillata   | Grass - Sisyrrinchium       | Phlox subulata         |                         |
| Echinacea (many)         | Grass - Sporobolus          | Physostegia            |                         |
| Equisetum                | Helenium                    | Podophyllum            |                         |
| Eryngium yuccifolium     | Helianthus (most)           | Polemonium reptans     |                         |
| Eupatorium               | Heliopsis                   | Polygonatum biflorum   |                         |
| Fern - Christmas         | Hepatica acutiloba          | Porteranthus           |                         |
| Fern - Cinnamon          | Heuchera americana          | Pycnanthemum           |                         |
| Fern - Dixie Wood        | Heuchera villosa            | Ratibida               |                         |
