

Plants for Rain Gardens

Amsonia tabernaemontana (S)	Phlox divaricata (PS, SH)
Anemone canadensis (PS, S, SH)	Phlox paniculata (S)
Aruncus dioicus (PS, SH)	Physostegia virginiana (S, PS)
Asclepias incarnata (S)	Polemonium reptans (PS, S)
Aster dumosum (S, PS)	Polygonatum biflorum (PS, SH)
Aster laevis (S)	Polygonatum odoratum* (PS, SH)
Aster novae-angliae (S, PS)	Pycnanthemum (S, PS)
Astilbe* (PS, SH)	Rudbeckia fulgida (S, PS)
Boltonia asteroides (S)	Rudbeckia laciniata (S, PS)
Chelone spp (S, PS)	Rudbeckia triloba (S, PS)
Chrysogonum virginianum (PS, SH)	Ruellia brittoniana* (S, PS)
Cimicifuga racemosa (PS, SH)	Solidago (S, PS)
Clematis virginiana (S, PS)	Tiarella cordifolia (PS, SH)
Coreopsis verticillata (S, PS)	Tradescantia (S, PS)
Eupatorium coelestinum (S)	Uvularia grandiflora (PS)
Eupatorium maculatum (S)	Verbena canadensis (S, PS)
Euthamia caroliniana (S)	Vernonia fasciculata (S, PS)
Gelsemium sempervirens (S, PS)	Vernonia noveboracensis (S, PS)
Helenium autumnale (S)	Veronicastrum virginicum (PS, S)
Heliopsis helianthoides (S, PS)	Zantedeschia * (PS, S)
Hemerocallis* (S, PS)	Zizia aurea (S, PS)
Hibiscus coccineus (S, PS)	
Hibiscus militaris (S, PS)	FERNS
Hibiscus moscheutos (S, PS)	Christmas (PS, SH)
Iris louisiana (S)	Cinnamon (PS, SH)
Iris pseudacorus* (S, PS)	Goldie's (PS, SH)
Iris sibirica* (S, PS)	Interrupted (PS, SH)
Iris versicolor (S, PS)	Lady (PS, SH)
Liatris spicata (S)	F.F. Maidenhair (PS, SH)
Ligularia * (PS)	Marsh (PS, S)
Lindernia grandiflora (S, PS)	Royal (PS, SH)
Lobelia cardinalis (S, PS)	Sensitive (PS, SH)
Lobelia siphilitica (S, PS)	
Lonicera sempervirens (S, PS)	GRASSES
Lysimachia* spp. (S, PS, SH)	Acorus gramineus* (PS, SH)
Mazus* (PS, S)	Carex flaccosperma (PS, SH)
Mertensia virginica (PS, SH)	Carex stricta (S, PS)
Monarda didyma (S)	Calamagrostis* (S, PS)

Panicum virgatum (S)
Schizachyrium scoparium (S)
Sisyrinchium (PS, S)

*** These plants will tolerate occasional to prolonged flooding. Most are drought tolerant. Site plants accordingly.**

S = Sun; PS = Part Shade; SH = Shade Listed in order of light preference. * Non-Native

Black Walnut Resistant Perennials

Achillea	Digitalis	Muhlenbergia	Lobelia siphilitica	Stachys
Aconitum	Echinacea purpurea	Ophiopogon	Lonicera	Thalictrum
Ajuga	Eupatorium	Panicum	Mertensia	Tiarella
Anemone	Euphorbia	Schizachyrium	Monarda	Tradescantia
Aruncus dioicus	<u>Fern</u> Christmas	Sporobolus	Oenothera	Tricyrtis
Asarum canadense	Cinnamon	Helenium	Pachysandra	Trillium
Asclepias	Lady	Helianthus	Phlox (most)	Uvularia
Aster	F. F. Maidenhair	Helleborus	Physostegia	Verbascum
Asteromoea	Ostrich	Hemerocallis	Podophyllum	Vernonia
Astilbe	Sensitive	Heuchera	Polemonium	Veronica
Bergenia	Tokyo Wood	Heucherella	Polygonatum	Viola
Campanula	Galium	Hosta	Rohdea	Yucca
Chelone	Geranium	Hypericum	Rudbeckia (most)	
Chrysanthemum	<u>Grass</u> Carex pensy.	Iris	Sedum acre	
Clematis	Festuca	Leucanthemum	Sedum (tall varieties)	
Dicentra	<u>Grass</u> Liriope	Lobelia cardinalis	Solidago
