

Plants for Rain Gardens

Agastache foeniculum (S)	Lindernia grandiflora (S, PS)
Amsonia tabernaemontana (S)	Lobelia cardinalis (S, PS)
Anemone canadensis (PS, S, SH)	Lobelia siphilitica (S, PS)
Arisaema triphyllum (PS, SH)	Lonicera sempervirens (S, PS)
Aruncus dioicus (PS, SH)	Lysimachia* spp. (S, PS, SH)
Asarum canadense (PS, SH)	Mazus* (PS, S)
Asclepias incarnata (S)	Mertensia virginica (PS, SH)
Asclepias tuberosa (S)	Monarda didyma (S)
Aster cordifolium (PS, SH, S)	Penstemon digitalis (S)
Aster dumosum (S, PS)	Persicaria* (S, PS)
Aster ericoides (S, PS)	Phlox divaricata (PS, SH)
Aster laevis (S)	Phlox paniculata (S)
Aster novae-angliae (S, PS)	Physostegia virginiana (S, PS)
Astilbe* (PS, SH)	Polemonium reptans (PS, S)
Baptisia spp (S)	Polygonatum biflorum (PS, SH)
Boltonia asteroides (S)	Polygonatum odoratum* (PS, SH)
Chelone spp (S, PS)	Pycnanthemum (S, PS)
Chrysogonum virginianum (PS, SH)	Ratibida pinnata (PS, SH)
Cimicifuga racemosa (PS, SH)	Rudbeckia fulgida (S, PS)
Clematis virginiana (S, PS)	Rudbeckia laciniata (S, PS)
Coreopsis verticillata (S, PS)	Rudbeckia triloba (S, PS)
Echinacea purpurea (S, PS)	Ruellia brittoniana* (S, PS)
Eupatorium coelestinum (S)	Saxifraga stolonifera* (PS, SH)
Eupatorium maculatum (S)	Solidago spp. (S, PS)
Euthamia caroliniana (S)	Stokesia laevis (S, PS)
Gelsemium sempervirens (S, PS)	Tiarella cordifolia (PS, SH)
Grass - Sisyrinchium (PS, S)	Tradescantia (S, PS)
Helenium autumnale (S)	Uvularia grandiflora (PS)
Heliopsis helianthoides (S, PS)	Verbena canadensis (S, PS)
Hemerocallis* (S, PS)	Vernonia fasciculata (S, PS)
Hibiscus coccineus (S, PS)	Vernonia noveboracensis (S, PS)
Hibiscus militaris (S, PS)	Veronicastrum virginicum (PS, S)
Hibiscus moscheutos (S, PS)	Zantedeschia * (PS, S)
Iris louisiana (S)	Zephyranthes candida* (S, PS)
Iris pseudacorus* (S, PS)	Zizia aurea (S, PS)
Iris sibirica* (S, PS)	
Iris versicolor (S, PS)	FERNS
Liatris spicata (S)	Christmas (PS, SH)
Ligularia * (PS)	Cinnamon (PS, SH)

These plants will tolerate occasional to prolonged flooding, depending on the plant. Most are drought tolerant. Site plants accordingly. Compiled from various rain garden recommendation lists.

Goldie's (PS, SH)
 Interrupted (PS, SH)
 Lady (PS, SH)
 Leatherwood (PS,SH)
 F.F. Maidenhair (PS, SH)
 Marsh (PS, S)
 Royal (PS, SH)
 Sensitive (PS, SH)

GRASSES

Acorus gramineus* (PS, SH)
 Carex flaccosperma (PS, SH)
 Carex pennsylvanica (PS, SH)
 Carex stricta (S, PS)
 Calamagrostis* (S, PS)
 Juncus effusus (S, PS)
 Juncus inflexus* (S, PS)
 Liriope* (PS, SH, S)
 Miscanthus* (S)
 Muhlenbergia capillaris (S, PS)
 Panicum virgatum (S)
 Schizachyrium scoparium (S)

S = Sun; **PS** = Part Shade; **SH** = Shade Listed in order of light preference. * Non-Native

Black Walnut Resistant Perennials

Achillea	Chrysanthemum	Geranium	Hypericum	Rudbeckia (most)
Aconitum	Clematis	Grass - Carex pency.	Iris	Sedum acre
Aegopodium	Dicentra	Festuca	Leucanthemum	Sedum (tall varieties)
Ajuga	Digitalis	Liriope	Lobelia cardin.	Solidago
Anemone	Echinacea purpurea	Muhlenbergia	Lobelia siph.	Stachys
Arisaema	Epimedium	Ophiopogon	Lonicera	Thalictrum
Aruncus dioicus	Eupatorium	Panicum	Mertensia	Tiarella
Asarum canadense	Euphorbia	Schizachyrium	Monarda	Tradescantia
Asarum europaeum	Fern - Christmas	Sporobolus	Oenothera	Tricyrtis
Asclepias	Cinnamon	Helenium	Pachysandra	Trillium
Aster	Lady	Helianthus	Phlox (most)	Uvularia
Asteromoea	F. F.Maidenhair	Helleborus	Physostegia	Verbascum
Astilbe	Ostrich	Hemerocallis	Podophyllum	Vernonia
Bergenia	Sensitive	Heuchera	Polemonium	Veronica
Campanula	Tokyo Wood	Heucherella	Polygonatum	Viola
Chelone	Galium	Hosta	Rohdea	Yucca
